

GOVERNMENT SECONDARY SCHOOL KUBWA-ABUJA
THE NEWSLETTER
FIRST TERM 2022/2023 SESSION

Dear Parents and Guardians,

We thank God for his mercy, in leading us through till the end of this first term 2022/2023 academic session successfully. The school remains grateful also to the support of the Secondary Education Board FCT, as well the support from you, our dear parents.

The school is officially closed for the end of term today 16th December, 2022 and re-opens for the second term on 9th January, 2023. As usual, there will be resumption test and immediately commencement of lessons. As such late resumption without cogent reasons won't be tolerated.

Discipline is the hallmark of GSS Kubwa, there may be occasional cases of misconduct by some students, which are promptly addressed. In view of this any students caught fighting goes on suspension from the school; students improperly dressed will not be allowed into the school premises. Other acts of indiscipline like bullying, using contraband items like phones, radio sets, music players, and related electronic gadgets are highly prohibited.

Furthermore students are not permitted to join or form membership of any cult group or illegal association. Students are only permitted to join the official clubs and societies in the school.

As part of the students' academic progress, Parents/guardians are encouraged to check their wards result for the just concluded first term 2022/2023 academic session.

Parents/Guardians are also advised to provide for their children/wards all the necessary materials for all the practical oriented subjects like Chemistry, Physics, Biology, etc. Other learning materials like recommended textbooks in all subjects offered by the children/ward.

Parents should also engage their children/ward gainfully during the course of the holiday
